

MAKROTEKS

Makroteks Textile is one of the leader producers in Turkey with its high quality home textile products since its foundation in 1993. Makroteks has expanded its production line with towels, bathrobes, fabrics, bed linen and hotel textile with the latest technology and integrated departments of weaving, dyeing, cutting, sewing, embroidery and packaging. High quality, innovation, fast delivery and customer satisfaction builds up our strategy which is enhanced with continuous investments in new technologies, increasing capacity and expanding flexible production.

We are committed to address environmental issues in all processes. Our production complies with Oeko-Tex (Class-1) as well as ISO9001 standards. We invest in people and protect our employees' right in full accordance with law. Our company is audited periodically by SEDEX. Furthermore, our company holds GOTS certificate which is required for organic production.

Makroteks Tekstil has established a new company in America at USA at the end of 2010 to supply locally as well under the name of MAKROTEKS TEKSTILE L.L.C. We produce both our own designs and customer's designs. Our products are supplied from warehouse in CT and directly from Turkey depending on customer requirements.

We offer unique and high quality products together with latest trends which are all accompanied with quality control at all steps, advanced technology and environmental friendly production. You are welcome to visit (website) and contact (e-mail) for further inquiries...

SALBAKOS

MAKROTEKS

Our new collection inspired by nature and devoted to reflection of nature, humanity and the wonderful harmony.

Makroteks targets at utmost environmental awareness and sustainable production at every step.

Our production processes are in compliance with OEKO-TEX® and with GRS (Global Recycled Standard) and GOTS (Global Organic Textile Standard) certifications as well. Since our establishment of solar panels started, we have been decreasing carbon emission on the production steps. Our mission is to support sustainability and the green deal with our environmental-friendly products.

Empowering Sustainability: **MAKROTEKS @HEIMTEXTIL 2024**

Makroteks emitted ~62 tons CO₂-eq to participate at Heimtextil 2024.

WE'RE ACTIVELY OFFSETTING AND REDUCING THIS IMPACT THROUGH OUR SUSTAINABILITY EFFORTS

DONATED

175 TREES

TO NEUTRALIZE OUR EVENT'S FOOTPRINT!

Our solar panels powered 67% of our electricity needs in 2023

THIS MEANS

331,73 TONS OF CO₂ REDUCTION
